Dear Chief Isaacson:

Thank you for speaking to me this morning. I hereby respectfully request the following.

1. **Order**. An email explicitly ordering me to stay off campus today.
2. **Protest**. An acknowledgement that I strongly and explicitly objected to this order.
3. **Duration**. A specification of how long I am ordered to stay off campus.
4. **Rationale**. A rationale for the order.
5. **Specific Threats**. A list - preferably specific - of any threats the campus has received regarding me or my students.
6. **Contact**. If the letter could please address whether the campus has been in touch with other law enforcement agencies.
7. **Zoom**. I wish to teach today's classes and any future classes that are canceled via Zoom. If this is an instance of a heckler's veto, I hereby request the campus use the least restrictive alternative.

Thank you for considering my request.

Sincerely yours,
Stephen Kershmar
